

## Don't miss out on our exclusive SIP offer!

**Benefit from Free SIP Trunk Call Manager when ordered with 4Sight SIP and Data Services!**

## Break Free From ISDN!

Your voice and data connections are vital components of your business - but so are the costs of running multiple lines, their flexibility and how much control you have over them. 4Sight provides a flexible and low-cost alternative to ISDN for inbound and outbound voice calls.

**As a Gamma Gold Partner, we are offering a special SIP rate for 4Sight maintained Mitel customers that migrate their voice services to us.** This exclusive offer is designed to bring your support and line provision under one roof and offer you a more effective converged service wrap and fault resolution.

### Switching to SIP Trunks with 4Sight offers many benefits including:

- Free Local, National and UK Mobile Calls \*
- Competitive Fixed Rental Per Channel
- Free analysis of your line & billing
- Free Project Migration Management
- Free Setup
- Competitive International Rates

### Get Gamma SIP Trunk Call Manager for free with 4Sight SIP Trunks:

SIP Trunk Call Manager provides customers with all the benefits of SIP Trunks together with a centralised inbound call management service.

You can now benefit from free Gamma SIP Trunk Call Manager when ordered with our Data and SIP Services.

## How to Apply?

To apply for this offer contact us on [info@4sightcomms.com](mailto:info@4sightcomms.com) or call on (0)20 3668 0444.

\*This is a channel inclusive deal that offers inclusive UK calls to Local, National, UK Mobile and 03xx Numbers. There are terms that apply to this offer that require a minimum term of 3 years commitment. There are some restrictions when migrating existing Gamma clients to 4Sight Gamma services which we will advise if applicable. There is also a fair usage policy that will apply and this will be advised as part of our line audit.

\*\*This is a special reserved rate for the clients that have their Mitel support contracts with 4Sight or are in the process of moving their support to 4Sight. This is a new billing customer exclusive offer that has offer timescale limitations due to commercial constraints.
